E-poster presentation guidelines- IAPSMCON 2026

1. General Format:

- The poster must be a single-page PDF (.pdf), with a maximum file size of 4 MB.
- The recommended dimensions are 36 inches (width) by 20.25 inches (height), maintaining the 16:9 aspect ratio (Landscape mode).

2. Font and Readability:

- Use a sans serif font (e.g., Arial, Calibri, or Aptos).
- Maintain a font size of:
 - At least 54 points for the title. Bold and prominent for clear visibility.
 - At least 48 points for sub-titles or section headings.
 - At least 40-44 points for the body text.
 - At least 28-32 for captions (e.g., for figures) and footnotes.
- Ensure all text is legible when displayed on the screen.

3. Visual Quality:

- All figures and images must be clearly visible and sharp.

4. Poster Structure:

The poster should include the following sections:

- **Title:** Title, presenting author and upto 6 co-authors along with their affiliations.
- **Introduction**— Brief context.
- **Objectives** – Clear & concise.
- **Methods** – Study setting, Study design, Study population, Study duration, Sample size, Sample size calculation, Sampling strategy, Study tool.
- **Results** – Key findings with appropriate visuals.
- **Conclusion** – 2–3 key messages with Recommendations
- **References** – limited to essentials.

5. Additional Recommendations:

- Avoid excessive text; focus on concise and impactful content.
- Use contrasting colours for the background and text to ensure readability.
- Arrange sections logically and use bullet points or numbered lists where appropriate.

6. Upload your posters at: <https://iapsmcon2026.com/WebPages/SubmitPpt.aspx>
