Highlights of the Workshop :

By the end of this workshop, participants will be able to:

- Understand and apply the fundamental principles of communication in healthcare and public health settings.
- Identify and overcome common communication challenges in day-to-day professional interactions.
- Demonstrate clarity and structure in written communication including emails, official letters, and digital communication (e.g., WhatsApp etiquette).
- Improve verbal communication, including in-person discussions, telephonic conversations, and active listening.
- Employ powerful non-verbal communication cues for professional effectiveness.
- Design and deliver effective health education messages and short public-speaking segments with confidence.
- Communicate effectively during media interactions and crises, ensuring accuracy, empathy, and composure.
