Title of the Workshop

Scenario-Based MCQs: A Tool for Competency-Driven Assessment in Community Medicine

26th Feb 2026

09:00AM - 05:00PM

NAMO Medical Education & Research Institute,
Silvassa, U.T. of Dadra and Nagar Haveli and Daman and Diu,
India

Highlights of the Workshop :

By the end of this workshop, participants will be able to:

- Describe the principles and purpose of scenario-based multiple-choice questions (SB-MCQs) in Community Medicine within the framework of competency-based medical education (CBME).
- Differentiate between traditional MCQs and scenario-based MCQs in terms of structure, cognitive level, and assessment potential.
- Apply best practices in constructing scenario-based MCQs that assess higher order thinking, clinical reasoning, and decision-making skills
- Analyze sample SB-MCQs using validated quality criteria and checklists to ensure alignment with learning outcomes and competencies.
- Discuss the utility of assessment using SB-MCQs in Community Medicine.
