Welcome Message

Greetings from NAMO Medical Education & Research Institute, Silvassa!

As India advances toward its centenary of independence, the vision of Viksit Bharat @ 2047 calls for bold, innovative, and collaborative action—especially in the realm of public health. The 53rd Annual National Conference of the Indian Association of Preventive and Social Medicine (IAPSMCON 2026), hosted by NAMO Medical Education & Research Institute, Silvassa, from 26th February to 1st March 2026, is a pivotal platform for aligning policy with practice in pursuit of a healthier, equitable India.

This year's theme, **"Transforming Policy to Practice for a Healthier India: The Way to Viksit Bharat @ 2047,"** not only reflects a national public health mission—it creates a fertile ground for innovation, entrepreneurship, and impactful partnerships.

IAPSMCON 2026 presents an exceptional opportunity for public health entrepreneurs, startups, technology developers, and industry leaders to showcase cutting-edge solutions in community diagnostics, AI-based tools, digital health platforms, screening technologies, telehealth services, and more. The conference will bring together decision-makers, implementers, academicians, and grassroots health practitioners—creating the ideal audience for solution-driven engagement.

We cordially invite industries, health tech companies, diagnostic innovators, digital health platforms, and organizations working at the intersection of health and technology to participate as sponsors and collaborators. Your presence will not only strengthen your brand visibility but also place you at the forefront of India's transformative journey in public health.

Join us in shaping the future of healthcare for a Viksit Bharat. Your innovations deserve the right platform—and IAPSMCON 2026 is where ideas meet action.
